

WELCOME

sa nau

This place was once a family farm — a gathering point where different generations of our family spent time together and created lasting memories. Over the years, we transformed it into Sa Nau, an agrotourism retreat where nature, calm and wellbeing shape the experience of every stay.

Here, time seems to move at a different pace. Sa Nau reflects our connection to a slower way of living and the simple pleasures of childhood weekends spent close to nature. It is a place to reconnect with what truly matters, slow down, leave urgency behind and embrace a sense of wellbeing surrounded by the Mallorcan countryside.

You are just a few minutes from the harbour of Portocolom and next to Vall d'Or Golf. Surrounding the estate, you will find almond and carob trees, bougainvillea in bloom, crystal-clear beaches and a network of walking and cycling routes to explore.

To complement your stay with mindful movement and wellbeing, we have also created Sa Nau Espai, a dedicated space for yoga and fitness.*

*Availability is subject to the activities scheduled in the space.
